

## Sponsorship contract

Between the aid agency „Hilfe für Kwale District e.V.“ and

Mrs/Mr. ....

The sponsor agrees to assume the following sponsorship:

I assume a sponsorship for the project

- school lunch at Sabrina Primary School  
with a monthly amount of: .....€ (minimum amount 10,00 €)
- school material for the Sabrina Primary School  
3 times a year with an amount of: .....€ (minimum amount 10,00 €)
- glucostics for the Kwale Hospital  
with an amount of: .....€
  - monthly (minimum amount 10,00 €)
  - three-monthly
  - half-yearly
  - yearly

I can cancel my sponsorship anytime with a deadline of three months when due. It is obvious to me, that the deadline is necessary, because the association "Hilfe für Kwale District e.V." took my amount into account of the projects. In case of my cancellation they have to get the money otherwise.

In case of an amendment of my personal data I will inform the association immediately.

In reverse the association "Hilfe für Kwale District e.V." will willingly communicate the project's current status to the sponsor and/or will send the monthly newsletter via E-mail.
